Effective Meeting Management Training Course

Introduction

A survey in the United States found that 25 million hours per year were spent in meetings, with nearly half of that time being unproductive. Another survey shows that managers spend 40 to 60 percent of their working hours in meetings. Meetings are essential for understanding, problem-solving, and initiating actions.

Effective meetings are crucial for business success, but many are poorly managed and unproductive. The Effective Meeting Management Training Program by Xcelerate Training Institutes is designed to help participants run efficient and productive meetings, overcoming common challenges and maximizing meeting outcomes.

Learning Objectives

By the end of the Effective Meeting Management Training Program, participants will be able to:
