Public Speaking and Presentation Skills

Introduction

Course Overview

It is indeed an art to be able to say something in a way that it is heard and acted upon in a desirable manner by the recipient. Be it on a political stage or in a board room meeting, careers can flourish or end depending on the effectiveness of speeches.

Great presentations are known to have successfully motivated the dullest of minds and directed many-a-lost agenda to a focused goal. We at Xcelerate Training Institute believe, that this is more of an art than a science because delivering a message requires a great amount of skill and intuition which then combines with the emotional intelligence of the speaker to activate further skills like adding humor to build rapport, asking the right kind of questions, constructing a sentence that works as a thought catalyst and more.

This is why, at ‘Xcelerate Training Institute’, we take a keen interest in paving the way for excellence for our participants by providing close guidance and showing them how they can apply master techniques to the skill of Public Speaking and Making Effective Presentations.

This Advanced Course will assuredly take our delegates a step ahead in their ability to become impactful speakers. Our active work in this field, over the years, has helped us reach an in-depth understanding of the globally appraised personalities and techniques when it comes to delivering a message incredibly well! We guarantee that candidates who can speak fearlessly and with innate confidence are the first candidates for a promotion, a new project or an award.

Our Public Speaking and Presentation Skills Training Course will help you to not only achieve mastery of these skills but will also nurture your ability to initiate and lead a conversation with people across cultures, one that you can use in other areas of your life as well. This way, you will acquire real growth in your core skills and not just theoretical knowledge.

This Xcelerate training course will empower you to sound, feel and be confident on any stage at any given occasion. Through this course, you will be able to apply presentation skills dynamically and learn how to make a positive and lasting impression.

You will learn techniques to help your readers draw factual and tangible conclusions. By ensuring the application of these tips and methods, your message will be received as intended, leaving no room for misinterpretation.

The information and practice gained through this course will also bridge the gap in your current skill and knowledge when it comes to making effective presentations. You will resultant be better positioned to add value to your business through your dealings with your stakeholders and your customer.

Learning Objectives

The main objective of this course is to empower professionals with —

- the ability to speak confidently in front of any audience on a business platform
- real-time feedback on their overall presentation's skills (virtual as well as physical)
- the ability to recognize areas of personal development

- understanding of the requisites of a great speech and a phenomenal presentation
- ability to cater to one’s grooming, self-image and body language
- prepare content delivery techniques keeping the audience in mind
- work on language and words in advance and keep the content simple and relevant
- the ability to identify the effect of adding humor and asking questions to build engagement
- to work on one’s fears and triggers
- to overcome stress by the effective use

Training Methodology

Xcelerate Training Institute Solutions designs training courses to cater to our training audience and their distinctive professional background and experience. Classroom sessions with presentations by a highly experienced facilitator form a major part of our training programs.

We encourage trainee participation through group discussions, role-plays, group activities, assessments and more. Trainees are also requested to share their experiences, issues, concerns and best practices from their respective organizations, which are facilitated by the trainer to optimize learning for the entire participant group.

In alignment with the Xcelerate Training Institute unique training methodology, this course follows the Do–Review–Learn–Apply Model.
