Executive Secretarial Training Course

Introduction

Being an Executive Secretary involves supporting management and executives with organizational, communication, and project management skills to ensure the office runs smoothly. Duties include managing meetings, scheduling appointments, preparing documents, handling correspondence, and making travel arrangements.

This role requires multitasking abilities and a strong professional presence, as Executive Secretaries are often the first point of contact for visitors. This course by Xcelerate Training Institutes is designed to address modern secretarial challenges, equipping participants with the skills needed to excel in their roles.

Learning Objectives

By the end of the Executive Secretarial Training Course, participants will be able to:

- Understand the role and importance of a secretary in modern offices.
- Develop essential secretarial skills for today's business environment.
- Cultivate a drive for growth in secretarial practices.
- Positively impact organizational performance.
- Enhance written and face-to-face communication.
- Improve interpersonal skills.
- Prioritize tasks and manage time efficiently.
- Think proactively and positively.
- Set up effective filing and records management systems.
- Organize and manage petty cash.
- Manage stock and stationery supplies.
- Handle stress and learn stress management techniques.
- Enhance telephone skills.
- Be assertive and build good rapport with stakeholders.

Training Methodology

The training includes interactive sessions, lectures, presentations, management games, role-playing, case studies, group discussions, and problem-solving sessions. Xcelerate Training Institutes follows the Do–Review–Learn–Apply Model to ensure practical application of skills.

Benefits for Your Organisation

Organizations will benefit from:

- Focused secretaries and administrators who prioritize tasks.
- Increased productivity in departments.
- Enhanced confidence and morale among administrators.
- Up-to-date employees offering better output.

- Improved customer and vendor service due to excellent interpersonal skills.
- Alignment of staff with business goals and objectives.
- Mature staff with better emotional handling capacity.
- Job satisfaction and increased employee retention.
- Efficient processes leading to profitability.
- Capacity to adopt new technologies and methods.

Benefits for You

Participants will gain:

- Enhanced self-assurance and self-satisfaction.
- Objective-oriented approach in life.
- Increased assertiveness.
- Improved interpersonal skills.
- Reduced stress levels.
- Increased self-value and motivation.
- Developed speech and communication skills.
- Effective time management.
