Recruitment Skills Training Course

Introduction

Introduction

Recruitment is a critical element in the accomplishment of any business. Recruitment is a process of locating and hiring the right people in the organization. An organization is defined by the employees in it, so guaranteeing employing the right staff at the right time is crucial for success.

The recruiter's job is to attract, select, and appoint competent candidate. Recruiters are the first line of contact to the potential candidates, evaluating the qualities and building the relationship with the candidate throughout the recruitment process is the recruiter's responsibility.

A rapid and efficient recruitment process reduces cost and enhances the organization's reputation. Recruitment skills ensure that the top talent is identified, engaged and hired. The people responsible for recruiting must be dedicated to ensuring they abide by regulation and best practice to avoid any potential mortification or inflated legal process/ action.

Xcelerate Training Institute has designed this course to help HR and Recruitment professionals gain a thorough knowledge of recruitment. Participants will benefit from the theoretical know-how and hands-on practice that they experience during this program.

Learning Objectives

- Understand what recruitment is and its importance
- Identify the tools and methods used for recruitment
- Define the basic and advanced techniques of recruitment
- Differentiate between recruitment and selection
- Understand the theories of delivering an effective, fair and healthy recruitment drive
- Characterize best practice and the legislature enveloping recruitment
- Assertively make unbiased recruitment decisions
- Effectively recruit, evaluate, stream and position the candidates
- Describe and explore the options available when running a recruitment campaign
- Deliver fair and effective interview process
- Develop an approach appealing to the candidate and displaying the organization in a good light
- Establish the importance of the process while identifying the excellent form of assessment methods for different roles

Training Methodology

This Recruitment Skills Training Course is designed for HR professionals aspiring to take the recruitment experience to the next level. The session is facilitated using real-life workplace cases, activities and role-plays, and video analysis. The competitive edge lies in the interaction with HR professionals from different industries and organizations enhancing exposure.

We at Xcelerate Training Institute design training programs with the focus on successful implementation, participants get a chance to plan-do-check-act their solutions and ideas. There is real-time feedback which enables participants to think beyond limited perspective.
